REBELS KILL FIVE HUNDRED

[Associated Press Cable]

MANAGUA, Nicaragua, August 20.—Acting under orders of their commanding officer, the insurgents broke into the little city of Leon this afternoon and despite the flags of truce raised by the garrison on the fight, put every man of the five hundred federal troops to death. Women were assaulted by the brutal soldiery.

All is ready for the big Hawaiian night at the Hotel Stewart Thursday night. Additional arrangements have had to be made owing to the eleventh-hour increase in the number of guests over those who attended last year.

All S. Syrtlanoff, counsel for General Stoeffel, who was tried by court martial for surrendering Port Arthur in the Russo-Japanese war, was murdered today in the house of General Sheikh Ali at Usa, European Russia, by relatives of Sheikh Ali.

The bill introduced by Representative Sherley of Kentucky, which would make more strict the pure food and drugs laws as applied to patent and preparatory medicine, passed the house. The bill would prohibit the publishing of claims of "cure-alls" which cannot be substantiated.

In a fight that followed a desperate attempt by Sam Wood, a farmer, thirty-five years old, to kidnap Ethel Manahan, a twenty-two-year-old daughter of E. Manahan, at the latter's farm at Belleplaine, Kan., yesterday, James Thompson, a relative of the girl, sixteen years old, was killed.

A desperate attack was made last night by a large body of pirates on the island of Chefo Chow, formerly part of the British colony at Hong-kong and used chiefly as a sanitarium. They arrived a hundred strong and well armed, in a large Chinese junk. Upon landing they attacked the small police force on duty, killing the police and two others, and then looted the houses of the inhabitants who number about 2700.

A Family Medicine Without Alcohol
Ayer's Sarsaparilla is a tonic and alternative, free from alcohol. What is a "tonic"? A medicine that imparts strength or tone; a medicine that builds up, gives vigor and power. What is an "alternative"? A medicine that alters or changes unhealthy action to healthy action. Ayer's Sarsaparilla does all this without stimulation. Ask your doctor if a family medicine, like Ayer's Sarsaparilla, is not vastly better without alcohol than with it.

The Grand Prince Nicolai Tomanoss, commander of a brigade in the Russian army at Warsaw, was wounded in the chest yesterday, and one of the limbs of his wife, Princess Tomanoss, was riddled with bullets, fired by a soldier named Bownanski. Several officers in the room at the time were also wounded, but shot and killed Bownanski, whose motive was revenge for punishment inflicted by his superior officers.

Limping into port yesterday, the big Matson liner Wilhelmina, Captain Johnson, brought the news of an accident which happened to her in mid ocean, when three days out from Honolulu. According to the report of the skipper, the ship, thrashing along at a fast clip, struck a submerged obstacle, knocking off one blade of her propeller. She managed to make port without assistance.

Secretary of the Interior Fisher has made definite arrangements now to leave San Francisco on the Japanese steamer Chiyo Maru, due to arrive in Honolulu on Thursday, September 5.
He will spend twenty-one days in the Islands, carrying on his investigation into the charges filed by the Delegate against Governor Frear, and other conditions.

POPE PLEASED WITH HAWAII SCHOOL CONDITIONS

Superintendent Pope of the department of education returned from Hawaii yesterday after making an investigation of a week's duration of school conditions on the big island, which included all the territory from Kawaihae to Hilo.

According to the superintendent, conditions in the schools are not as bad as pictured and the school-house as a general rule are in far better condition than the houses in the districts which they represent.
In his trip of inspection, the superintendent attended to various matters such as pertaining to new teachers and additional schoolrooms which have been awaiting action to be taken for some time. Several promotions and changes have been made, nine schools in all being affected by changes.
